

# OILERS WIN LAST FROM OMAHA BY NINTH INNING RALLY

**Richmond Pitches Great Game; St. Joe Champions Here Today**

Faulty Support Costly for Both Clubs—Larmore ill.

**FURH PITCHES WELL**

Southpaw Suffers From Lack of Aid—McManus Comes Through.

BY JARRY DAHLBY.

A typical Oiler rally in the ninth inning, the sort that won so many apparently lost games last year, gave the homebonds their third straight and the last game of the series over Omaha. The score was 6 to 5.

Ray Richmond, assured from the St. Louis Browns, made his debut in center repair, and turned a splendidly. He had to give up one run, but his defense made off his delivery and only two of the Bourkes' runs were earned errors by the infield contributing to the scoring.

Oscar Furh, southpaw, also pitched a good game, though he was not selected as Richmond's relief, was picked for eight batters, but like Richmond, his support was very faulty, five errors being made by his team mates, three of the Abbotts' runs being deserved. Furh's wildness at critical moments aided the Oiler cause, and the dominant Furh was made off his delivery and only two of the Bourkes' runs were earned errors by the infield contrib-

uting to the scoring.

An Able Substitute.

McManus, Chicago semi-pro, in older, also played well, but was not selected as Furh's relief, having been abominated for Bob Larmore, who is ill. After an error in the first inning, he handled four chances without a bobble, and it was his hit in the ninth which sent over the tieing and winning runs.

Tulsa, too, committed two runs in the first inning. Gishason was safe when Cleveland kicked his grounder. Weidell sacrificed. Donica was passed. Lee beat out a bunt to Richmond, filling the bases. McManus erred on Leibelt's grounder. Gishason regaining. Mason struck out but Maulin walked, forcing in Donica.

The Bourkes made one in the third. Donica walked. Lee struck out. Cleveland kicked Leibelt's roller. Gishason going to second and Jack making first. Mason fled to Tierney but "Cue" let Maulin's grounder go through. Donica count-

Oilers The Score.

The Oilers tied it in their half of the same frame. Dobbins walked and went to second on a wild pitch. Richmond fanned. Leibelt dropped thrown balls on ground hits by Burke and Donica and the bases were full. Davis popped to Leibelt. Graham singled sharply to center, Dobbins and Burke scoring, and when Mason fumbled the ball, McManus scored.

Donica's home run, which went through the side fence in right field and which would have gone for an out or a double, put the Bourkes one run ahead in the fifth.

Tulsa tied it again in the sixth. Cleveland made good his boots by smashing one of Furh's hooks to the left field fence for two runs. Tierney grounded to Gishason. Dobbins came through with his second hit of the game, single to deep center, scoring Cleveland.

**Bourkes Go Ahead.**

Omaha made it nine in their favor in the eighth. Lee walked, but was forced around by Leibelt. McManus to Tierney. Mason singled to center, Leibelt going to second. The Omaha base counter on Maulin's blow to left.

With one out in the ninth, and one run behind, Brannon, batting for Richmond, was called out. Hale stroked. Hale pogged to second to catch Brennon who had a long lead, and both runners moved up when the throw went wide. McManus, Texas leaguer over the left side of the infield scored Brannon, and Burke, by hard sprinting, beat Lee's throw to the plate.

Then we went home to supper.

**Notes of the Game**

Last year's champion St. Joseph club opens a four-game series here today. Joe Morris will probably oppose the Saints in this afternoon's game.

There wasn't much hitting by either club. George Dobbins was the day's batting leader, with two singles in three trips to the rubber.

The Oilers protested vigorously in the third inning when Umpire Buckley called Graham's drive foul, which had apparently hit the bag at the look-in corner.

Jimmy Burke is playing splendid baseball, his running being especially brilliant. Burke's spirit, when he counted the winning run on McManus' hit in the ninth, was a speed classic.

Cleveland and McManus, rival shortstops yesterday, are products of the Chicago semi-pro ranks, where they played last season.

A French rifle that can be fired only when held correctly has a column of mercury in its stock which forms a circuit that controls an electric detonator.

McManus and McManus, rival shortstops yesterday, are products of the Chicago semi-pro ranks, where they played last season.
